Dear Friends & Clients:

Thank you again for a wonderful tax season. It's was great to be busy, busy, busy, but it's now great to have slowed down again. For those of you that referred clients to our office, please expect a little something special in the mail as a thank you for your special effort.

This year we are going to try something a little different. In previous years we have had our client appreciation day the day before we have closed down for Christmas and because of the weather most people have been unable to attend. **This year we would like to invite you to our client appreciation event on June 24, 2011. Please stop by the office for a visit any time during the day and we will have refreshments ready for you.**

We are also going to be following other accounting firms by **closing on Fridays this summer**. We will be **closed Fridays starting July 1 through to August 19 this summer**. In addition, **our office will be closed for a two week holiday from August 20, 2011 through September 5, 2011**, reopening on September 6, 2011. We will be contacting our payroll and bookkeeping clients early in August to prepare for this closure.

Some highlights of this issue of Tax Tips and Traps are news about the CRA Letter Initiative; First Time Home Buyers incentives; rollover to RDSP; information on the CPP changes; and statistics on unclaimed OAS and GIS. If you are receiving this letter by email, the Tax Tips and Traps publication is available for download from our website at www.bankaco.com.

Sincerely,

Gabriele Banka, DAcc., CGA, BAppl.BA
